#### The Law.

Speaking of law, the late Governor John A. Johnson, of Minnesota said:

"There is too much partisanship and not enough patriotism in America. There is much wrong done owing to disrespect for the law. The greatest thing in the universe. Law has been and ever will be. In our country the law is made for the benefit of the people—to protect the poor, to enable the workman to collect his wages and to maintain him in the enjoyment of his rights under the constitution. Disrespect and corporations drag the respect of the law in the dust."

And took one loved one more; Her soul looks down with pleading eyes

Just on the other shore.

The Angel came, Her loving Savior smiled,

Hon. H. J. Simmons of Clarence, has brought suit in this county against the Globe-Democrat of St. Louis for \$50,000, which he claims as actual damages, and \$100,000 punitive and exemplary damages, alleging that his reputation has been greatly injured by the article that appeared in the Globe March 20, concerning the Sunday session of the Legislature March 19, alleging further that the article was false, had no foundation in fact and was therefore libelous. The case will not be called until the October term of our circuit court. J. D. Dale and V. L. Drain of this city, H. A. Wright of Clarence, Humphrey & Gose of Shelby, and John T. Barker are M. Simmons' attorneys.—Shelbyville Herald.

The Elsberry Democrat gives the following good advice: As the spring time approaches the peddler and the cheap auction man will be around in all his glory. He will tell you the smooth story about bankrupt stock that must be sold. But be not deceived. Remember that your home dealer is here to make good, and that he can always give you a better stock to select from.

House cleaning time is here. Southern & Spalding would be glad to show you some pretty designs. Give them a look. 4-13.

#### Griffith-Riegel.

Mr Roy W. Riegel, of Palmyra, and Miss Nellie Griffith, the accomplished and attractive daughter of Mr. and Mrs. A. F. Griffith, north of Monroe, were united in marriage at the home of the bride's parents on Tuesday evening, in the presence of about eighty invited relatives and friends. Rev. H. D. Thompson of La Belle, performed a beautiful and impressive ceremony and Miss Tomye Ely played Lohengrin's wedding march.

The attendants were Miss Virgie Griffith, sister of the bride, and Mr. Lyman Riegel.

After congratulations a magnificent supper was served. The decorations for the occasion were all in pure white which delightfully harmonized with the delicate shades of blue in which the bride was tastefully attired.

Mr. Riegel is a prominent young teacher of Marion county and his friends are congratulating him on his fortune. Mr. and Mrs. Riegel left on the 12:05 train Wednesday morning for Chicago and other points on a short wedding tour after which they will be at home to their friends on a farm near Palmyra.

But of all the chronic kickers who make that art a trade, the cranks who kick the paper are the lowest on the grade; they kick if you forget them in a fight, and lift the ceiling if their names are not spelled right. They kick because their paper is silent on their fads, and kick a little harder when it has a run of ads. They kick when dunned for money and when at last they pay, they leave you with a blessing that takes your breath away. Ex.
